5. Major accomplishments of the SAC for the year include the following:

a. The goal to increase parent involvement was voted to continue. With the help of the PTO, SAC was able to get more parent volunteers into the school to help with events like Popcorn Club. SAC was able to use data to analyze past results to show parent participation at OES is increasing.

b. The 2023-24 goal to improve pedestrian safety continued to be upheld as Kiss and Drop was adequately staffed and procedures were put in place to keep PreK safe during pick up. Security Forces road guards did not stay to affirm the turn right only policy between 14:30 and 14:50 beyond mid-year.

c. After receiving a concern regarding AQI notification and indoor playground usage, information was disseminated to parents and teachers via Talk To Us Facebook group on when and how the school decides if it is indoor recess.

d. Per a submitted suggestion, new student registration folders were made for students initially enrolling at OES. These new registration folders have information regarding Tutor.com, SLO resources, important OES contact numbers and Facebook pages.

6. Issues or initiatives that were unresolved and recommended for completion during the next school year, 2025-2026: The SAC will continue to focus on increasing parent and community involvement and engagement during the upcoming school year.
